Z Prezzident Haz Zpoken…..

Low tidings to you all,

Great meeting last month; Tommy will be greatly missed! I heard his paddle out was pretty spiritual… rainbows and sun-light. I was in San Diego for my 91 year old dad who is still hanging in there. Thank you for the calls and texts.

Remember to have nominations ready for all the positions coming up. Also bring a pen with you to sign up for some of the surf trips/ events coming up. This last year has been the best I've ever seen as far as camping and events with the union. I think we're over due for a bonfire!

I know we haven't had waves for a while. Be patient, our summer is almost here. Winter swells and sunshine!

See you all in a week or so. Start working on the artwork for the big 3-0. That is a major accomplishment to have put on a surfing event for thirty years in a row!

P.S. Do not fret because of evil do-ers!

SCLU Forever, Scotty
