Contest Month is HERE!!

Message from the President

Fellow Members:

Well it is May. We all know what May is - event time! Our Event is a Team Effort. We need every member to volunteer and display that Aloha that only the SCLU can produce! Carl Olson is forming the team. Remember, you have to be a dues paying member to participate. You have to pay your own, discounted entry fee if you volunteer. If you do not volunteer, we require you to pay the full fee. We have many areas where we need help. Just to mention a few, Tear Down, Set Up, Food Booth, and Souvenir Booth, all are critical for our success. We must defend our title! We are hosting a one heat exhibition of stand-up/paddle surfing at our event. This will be another historical first for Surf Contests. Of course, as usual, the Santa Cruz Longboard Union is again on the cutting edge. There will be 7 slots from clubs invited with one alternate. Equipment will be provided by Surf Tech on site. The RQR judges will judge the heat like any other heat but it will not be included in team scoring and no event trophies will be given. Winners' names will be recognized at the awards ceremony. Surf Tech will provide goodies for participants! I will be traveling south on April 30th to do some personal family business with Toes on the Nose and pick up donated surfboards and product. The Worker's Party and July meeting will be at **Nick and Terri Bacica's** on Sunday June 22 from 1:00 pm until we drop! Thank you again for letting us come back **Nick and Terri!** Food and Beverage provided by the club so plan to attend and just have FUN! I hope all of you will attend our May meeting. I am again discounting short sleeve T's at the meeting only for \$8. We need to show our club spirit at our event. The Raffle will happen but most importantly of all good friendship will be exchanged.

Keep Surfing, **Pete Noble**

~~~~~ INFO ~~~~~

* To save the club some money and to save trees, the SCLU is thinking of sending out our summer newsletters, July & August, via e-mail. If members still wish to receive a newsletter in paper form, we can do that! Please send me an e-mail (jenncoco@hotmail.com) to let me know if you wish to have a newsletter in paper or if you will be happy to receive one online. We'll see how it goes...THANKS!

* Make sure you keep checking the website ~ it's really coming along! Thanks for all your hard work, **Rick**! Also, click on the Memorial Day Contest link to see a list of committee members & jobs for the upcoming contest. <http://www.santa-cruz-longboard-union.com>

* Surfing Heritage Foundation Lead Docent **Henry Ford** was inducted into the Hermosa Beach Surfer's Walk of Fame on April 12, 2008 at the Hermosa Pier. **Henry Ford** was an original logo for the SCLU, so we honor him as well for this outstanding achievement!
