Message From the Prezzzzident

Greetings everybody!

Hope everyone is enjoying all these south swells we are getting. Summer's turning out to be a pretty dang good one so far.

That was a great last meeting we had. It was awesome to hear from everyone at the round table. We should do that more often! If you are still trying to figure out what Hank meant, you have missed the ship.

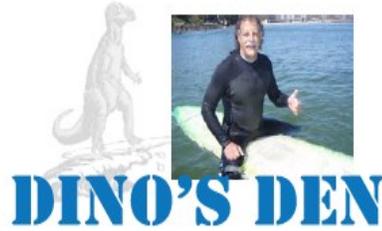

I enjoyed a nice little get away in some warm water. I will tell you what though, there is no place and I mean no place, like home. We will see you all Wednesday night at the Palomar.

Malibu is coming up in a couple of weeks. I think we are going to have a great trip! Maybe most of us can carpool down.

Mahalo,
Scotty
